JUSTin HOPE FOUNDATION

SPONSORSHIP OPPORTUNITIES 2020

*Year cycle runs March 1st- February 28th

OUR HISTORY

The JUSTin Hope Foundation is a 501(c)3 non-profit that was started in 2011 by the parents of Justin Reitz. Justin was born in 2002, and was two years old when he was diagnosed with a neurodevelopmental disorder. His parents were overwhelmed with unanswered questions as they tried to figure out which path would be most helpful for their son. Through their personal experience, Justin's parents understood there was a lack of resources and support available for families affected by neurodevelopment disorders, including autism, in Northern Nevada. JUSTin Hope Foundation was founded to help fill this need and the services offered are designed to bridge the gap between what families can afford and what they need to live their lives to the fullest potential.

OUR MISSION

Giving hope to individuals and families in Nevada affected by neurodevelopmental disorders, including but not limited to autism, by providing, education support and/or opportunities that will have a meaningful impact.

OUR VISION

Building a community of support and engagement for families and individuals with special needs.

RUN/WALK 5K EVENT

The run/walk was the inspiration behind starting the foundation. We began 12 years ago by putting on a fundraising event that brought our community members and those that supported them together.
